

EPP Completer Impact on Student Growth

(Student Percent Growth Data from Standardized Testing in Reading)

Academic Year	Sum of Growth	Sum of Growth Projection	Percent Growth Achieved	Number of EPP Teachers
2020-2021	389	462	84%	2
2021-2022	418	393	106%	3
2022-2023**	1321	1239	107%	4
2023-2024	257	506	51%	1

*The pilot year for obtaining student growth data was 2021. The district providing data provided a mix of 2019-2020 and 2020-2021 data as available for the completers. All names were redacted from the data, so which programs or divisions are included is uncertain.

**The standardized test changed to a new provider in 2022-2023.
