

IWU-Educator Preparation Provider: Employment Rates

Rate produced from the 2023-2024 completer survey responses which include graduates from 20/21, 21/22, and 22/23 academic years. Employment Rate equals the respondents indicating they are employed as certified full-time educators divided by the total number of respondents.

Level	Number of Responses	Number Employed in Field of Preparation	Employment Rate
Initial Teacher Preparation	96	79	82%
Advanced Preparation*	67	38	57%

*School Administration, Ed.S. District Level Leadership, Special Education Add-on programs
