

## IWU-Educator Preparation Provider: Employment Rates

Rate produced from the 2022-2023 completer survey responses which include graduates from 19/20, 20/21, and 21/22 academic years. Employment Rate equals the respondents indicating they are employed as certified full-time educators divided by the total number of respondents.

Level	Number of Responses	Number Employed in Field of Preparation	Employment Rate
Initial Teacher Preparation	29	27	93%
Advanced Preparation*	59	37	63%
