

## **Robert G. Mallison, Jr.**

215 E. 50<sup>th</sup> St.  
Marion, IN 46953  
(765) 674-5868

### **Career Summary**

Currently a Mathematics professor for the past nine years, previously an actuary with over 20 years experience in the health insurance industry including various levels of leadership in the actuarial and underwriting disciplines.

### **Professional Experience**

2004 to Present      **Indiana Wesleyan University**  
**Marion, Indiana**

Indiana Wesleyan University is a Christ-centered academic community committed to changing the world by developing students in character, scholarship, and leadership.

As Associate Professor of Mathematics, responsibilities include teaching all manner of Mathematics courses (and other duties as assigned), equipping students with the knowledge and skills needed to prepare for their various callings in life; primarily, however, modeling a Christ-centered lifestyle and encouraging spiritual growth. This is accomplished (partly) through regular attendance at University Chapel services, regular presentation of devotionals to begin classes, and leading worship songs at various MAC (Math Club) activities.

Additional activities have included:

- Accompany students to several Math conferences
- Development of Minor in Actuarial Science
- Development of New Course in Financial Mathematics
- Supervising Students' Independent Learning Courses
- Evaluating Mathematics Education Practicum Students
- Organization and Participation in Division Chapel Services
- Committees to Hire New Professors (five times)
- Division Evaluation for Colleague for Rank Improvement
- Institutional Review Board
- Committee for Student Success
- Advisor for MAC (Math Club)

2006 to 2010

**Symetra Financial  
Indianapolis, Indiana**

Symetra is an insurance company specializing in life insurance, annuities, and group benefits. As Stop-Loss actuary in the group division, primary responsibilities included development of manual rates and review of financial results. Additional responsibilities included accurate assessment of savings due to negotiated fee arrangements with hospitals and doctors.

2003 to 2006

**World Financial Group  
Indianapolis, Indiana**

As a part-time insurance agent and retirement planning specialist, responsibilities included assisting clients with insurance and retirement planning. Product expertise in Variable Annuities, Variable Universal Life Insurance, and other products as needed to help clients achieve financial security.

1998 – 2002

**Anthem Insurance Companies, Inc.  
Indianapolis, Indiana**

Anthem (now called Wellpoint) is a multi-regional health insurance organization, serving customers in several states through Blue Cross and Blue Shield insurers. Anthem Alliance was a subsidiary of Anthem participating in a Managed Care Support Contract with the Department of Defense delivering TRICARE benefits to more than one million beneficiaries over a five year period. This contract was sold to another company.

As Lead Actuary, responsibilities included analysis and reporting of underwriting results, negotiation of significant provisions of the contract, and directing the work of two associates

1990 – 1998

**VASA Brougher  
Indianapolis, Indiana**

VASA Brougher provided stop-loss coverage for self-funded employer-sponsored ERISA qualified employee benefit health plans covering over one million beneficiaries.
