

Corey Sizelove

2405 West 1550 North Summitville, IN 46070

Phone: 765-620-9039 E-Mail:corey.sizelove@indwes.edu

Experienced Family and Emergency Nurse Practitioner with a passion to provide wholistic healthcare to diverse patient populations in order to achieve optimal overall health and well-being.

Work Experience

Indiana Wesleyan University

Professor

8/2016-Present

Assist with curriculum development, program assessment, employee evaluations, hiring, budget oversight, and the development/enforcement of IWU Nursing policies and procedures. Served as division chair from 7/2018 through 6/2024. Teach a variety of undergraduate level courses.

Emergency Physicians of Community Hospital Anderson

ER Nurse Practitioner

3/2014-Present

Lead a team of emergency nurses and ancillary staff in a rural, level three trauma center to provide safe, evidence-based patient care in an emergency department and fast track setting. Duties include minor surgical procedures, splinting and casting, and patient diagnosis, assessment, and treatment.

Walter Reed National Medical Center

ER Staff Nurse

9/2013-3/2014

Provide evidenced based care to members of the United States Military and government in a level two trauma center. Assist with the psychological and physical care of wounded warriors as part of the Wounded Warrior Project.

Community Hospital Anderson

Charge Nurse-Emergency Department

4/2009-9/2013

Collaborate with and lead a health care team to provide and manage quality patient care utilizing evidence-based practice. Perform detailed physical and neurological assessments, carry out various nursing interventions, and assist in discharge teaching. Respond to and run emergency code situations. Oversee staff, scheduling, and handle complications as they arise.

Summitville Fire Department

Corporation President, Ambulance Assistant Chief, EMT-B, Firefighter

12/2000-1/2021

Managerial responsibilities including supply requisition, budget development and oversight, scheduling, disciplinary issues, righting policies and procedures, and continuing education training. Lead a team of emergency personnel to provide optimal patient care. Duties including assessment, rescue procedures, basic life support, and team coordination.
