Transfer up to 90 approved military credits and/or credits from other approved college-level learning.

- The B.S., Global Security and Strategy Management is a faster, better, more cost-effective path to a degree.
- Complete a bachelor's degree in about 1 year depending on the amount of credit you've already earned.

IWU's B.S., Global Security and Strategy Management completion program maximizes transfer of military credits, making it **quicker and more cost-effective for METC graduates and instructors** to earn a bachelor's degree.

Prior completion of at least 60 IWU or transferable credit hours is required before the student is eligible to start a bachelor core program.
